Ojas NGO Website is a platform developed to promote the activities, achievements, and causes of the NGO. It serves as a central hub for the NGO to showcase their initiatives, accept donations, and organize events. The website features a user-friendly interface built with React JS and Material UI, making it interactive and visually appealing. Additionally, an admin panel is integrated to manage the website's content, allowing administrators to post updates, add events, and handle donation payments through payment gateway integration.

KEY FEATURE

- **Events Page:** An events section allows the NGO to list upcoming events, workshops, or fundraisers for public participation..
- **Home Page:** The homepage of the website highlights the NGO's mission, vision, and recent achievements.
- **Donation Portal:** A secure payment gateway integration is implemented to accept online donations from supporters and well-wishers.
